many twentieth century spanish american writers sought to give voice to their countries native inhabitants drawing upon anthropology and literary theory this book explores the

representation of orality by major spanish american anthropologist writers lydia cabrera jose maria arguedas and miguel barnet these writers played a quintessential role of the spanish american writer from colonial times to the present they inscribed the mythical world of a vanishing other by creating a poetic effect of orality in their ethnographies and narratives this book argues that supposed differences between oral and written culture are rhetorical devices in the elaboration of literature specifically modern fiction in spanish america fictionalization of the oral requires adherence to the theory of a great divide between orality and literacy because the texts considered here are predicated on the ideality of speech a contradiction underlies their shared desire to salvage oral tradition this book explores how anthropologist writers have addressed this compelling dilemma in their anthropological and narrative writings at tufts university
